• = Standard \* = Optional equipment, Manufacturers List Price shown.

\*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from October 2012 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

- Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.
- Weight of car, unladen, with driver (68kg), luggage (7kg), and fuel tank 90% full, calculated in accordance with the version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.
- Limited colours available for the S6 limited edition a choice from Glacier White metallic paint, Ice Silver metallic paint, Phantom Black pearl effect paint and Estroil Blue, crystal effect paint.
- Bluetooth connectivity only. Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.
- Audi Music Interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories. Connection for generation Apple® iPods generation 4 and higher, USB storage media and MP3 players.
- MMI Navigation functional features may differ or not be available for the Australian market, sight-seeing information, city modes in 3D, points of interest, TMC, voice control destination entry as whole words or in one sentence and Audi connect services are not available for Australian vehicles. Please ref to your Audi dealer for up-to-date information.

Please refer to the corresponding S6 brochure for further specifications details. Options described in the brochure may differ or not be available for Australian vehicles. Please refer to your Audi dealer for up to date information.

Vehicle pictured is an overseas S6 with the additional options of LED headlights and metallic Ice Silver paint.
